

MAIN BENEFITS:

- 30% enhanced starting power for top level performance
- Fast and powerful start with X-Frame Grid
- Enduring and consistent power performance with Grid Protection
- Reinforced case to resist exterior damage and deformation
- Rapid charging through latest carbon plus technology

1

AH= AMPERIOS POR HORA

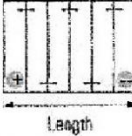

UHPB SPECIFICATIONS:

12 VOLTIOS / AH =55 AMPERIOS / RC = RESERVA DE CAPACIDAD = 88 MINUTOS
